Bemidji, MN (April 13, 2022) - The Northern Minnesota Robotics Conference (NMRC) is pleased to announce our 2022 Conference All-Academic Team.

The NMRC All-Academic Award program recognizes the academic excellence *(based on GPA)* of participating High School students in the Northern Minnesota Robotics Conference. To earn NMRC All-Academic Team honors, a student must possess a cumulative GPA of 3.5 or higher (based on a 4.0 scale) for this current year. This honor is open to students in grade levels 9-12. In addition to the GPA requirement a student must meet all varsity level "Lettering" requirements set by their team or school district as well. Students are able to receive this award on an annual basis.

The conference consists of 29 teams across the Northern part of the state along with two teams from North Dakota. These teams come from the communities of Northwood (ND), Brainerd, Warroad, Grand Marais, Nevis, Cass Lake-Bena, Thief River Falls, Pine River-Backus, Perham, Alexandria, Blackduck, Upsala, Frazee-Vergas, Little Falls, Bemidji, Greenbush-Middle River, Bigfork, Babbit, Stephen-Argyle, Pequot Lakes, International Falls, Crosby-Ironton, Kelliher, Red Lake, Swanville, Grand Forks (ND), Reemer-Hill City and Pillager. To learn more about the NMRC or our member teams you can visit our website NMRConference.org under the "Members'' tab. We are proud to have 81 students from 16 different teams represented on our Fifth Annual All Academic Team. We at the NMRC are delighted to celebrate the great academic accomplishments that our students have made. Please join us in congratulating each and every one of them.
